

# Mica Printed Photos

This is the ONLY place, worldwide, these photo prints are available for sale.

Mica, (pronounced "Meeka") is a local 19 year old resident of Pennsylvania who wanted to break into modeling. She visited Mike's studio in September 2006 for a first face-to-face interview. Mike agreed to do a brief paid shoot with her. Typical of young girls, Mica's cheery and full of infectious enthusiasm for the possibilities of her budding adult life. With her shapely figure (perched nicely upon a very leggy platform) and ready smile, we think she'll do just fine. We hope she sticks around. UPDATE, April 2007: Mica's been back for another shoot, so Mike has more pics to add! But dig this, (and we're not a bit surprised), with Mike's pics she's already found representation with a model agency. You go girl!
